

On 12-16-2011, Detective John Warmuth of the Marion County Sheriff's Office in Ocala, Florida issued an alert for the theft of metal braces from a bridge construction site in Marion County, Florida. Another alert had been issued on 11-21-2011 for a similar incident involving the same type of material. Quick Stop Recycling in Jacksonville, Florida received the alert. Bobi Gordon of Quick Stop Recycling notified Detective William Katsacos of the Jacksonville Sheriff's Office in Jacksonville, Florida after discovering they had the material in question. Detective Katsacos notified Detective Warmuth of the Marion County Sheriff's Office. The material was positively identified and was subsequently recovered and returned to the owner. Two suspects were identified and arrested. The suspects were responsible for the incident in November and this one as well. Congratulations to Detective Warmuth, Detective Katsacos, and Bobi Gordon. Nice job!
